### Club Documents

### WELCOME!

The Holly Cloud Hoppers welcomes visitors to our flying field. Whatever your interest, we invite you to come out and enjoy the wonderful world of RC. Members of our club build and fly many types of RC airplanes. Come on out and see us. If you have any interest and want to look into this hobby, stop by our field or call one of our officers. Our club was officially formed in 1991. We are a club of about 55 members and our air field is located on state land north of Detroit near Holly, MI. We are at the southwest corner of the intersection of I-75 and Grange Hall Road (mile marker 101).

### Announcements

Notice the Inter-Club Open House in the Events section. This is new this year and is unique from the Inter-Club Fun Fly we've participated in the last few years. This is an Open Flying event and is an opportunity for all the clubs in the Flint area to get together at one site for flying. Clubs involved so far are from Flint, Swartz Creek, Frankenmuth, Chesaning, and Holly. The club with the most members present will also receive a trophy. This year's event will be at the Flying Aces Field.

The original Inter-Club Fun Fly Event will remain, but the date has not yet been finalized
